SALE OF RIFLES TO INDONESIAN GOVERNMENT BY WESTERN GERMANY

During the visit in Djakarta of German Federal Republic Minister for Bundesrat and State Affairs, Dr. Hans Joachim von MERKATZ, the Indonesian Government will be informed by von MERKATZ that his Government approves the sale of 200,000 German-made rifles to the Indonesian army. This action by the German Federal Republic is in response to an Indonesian Government request.

Comment: It is believed that this sale will not be announced publicly.
